

R.L. (Black male, 40s+, Supporting Role): A soulful Delta bluesman who works and hangs out at Louie's record shop. Proficient guitarist preferred.

INT. LOUIE'S RECORD STORE - CONTINUOUS

R.L. mostly sits up front playing guitar and keeping his eyes on kids with sticky finger. But today, Louie is arguing with a shop customer in the middle of a phone call.

Louie motions to R.L. to get the phone. R.L. picks up the phone, shaking his head.

R.L.
Yes. Can I help you?

CLERK 03 (V.O.)
Do you have it? The 45?

R.L.
Louie? Did we have what he's looking...

LOUIE
Yeah, yeah! We got tons of that stuff.

R.L.
(to the phone)
Yeah, he says he has it.

CLERK 03 (V.O.)
Can you ship it?

R.L.
(to Louie)
Can we ship to Choice Sides? They have an account?

LOUIE
(to R.L.)
That's Choice Sides!? Oh man, hang up! They burned us on that rockabilly collection. Don't ship anything to them!

R.L.
(to the phone)
We can't ship to you. Somethin' about some previous order.
